# WOMEN IN THE WORKFORCE

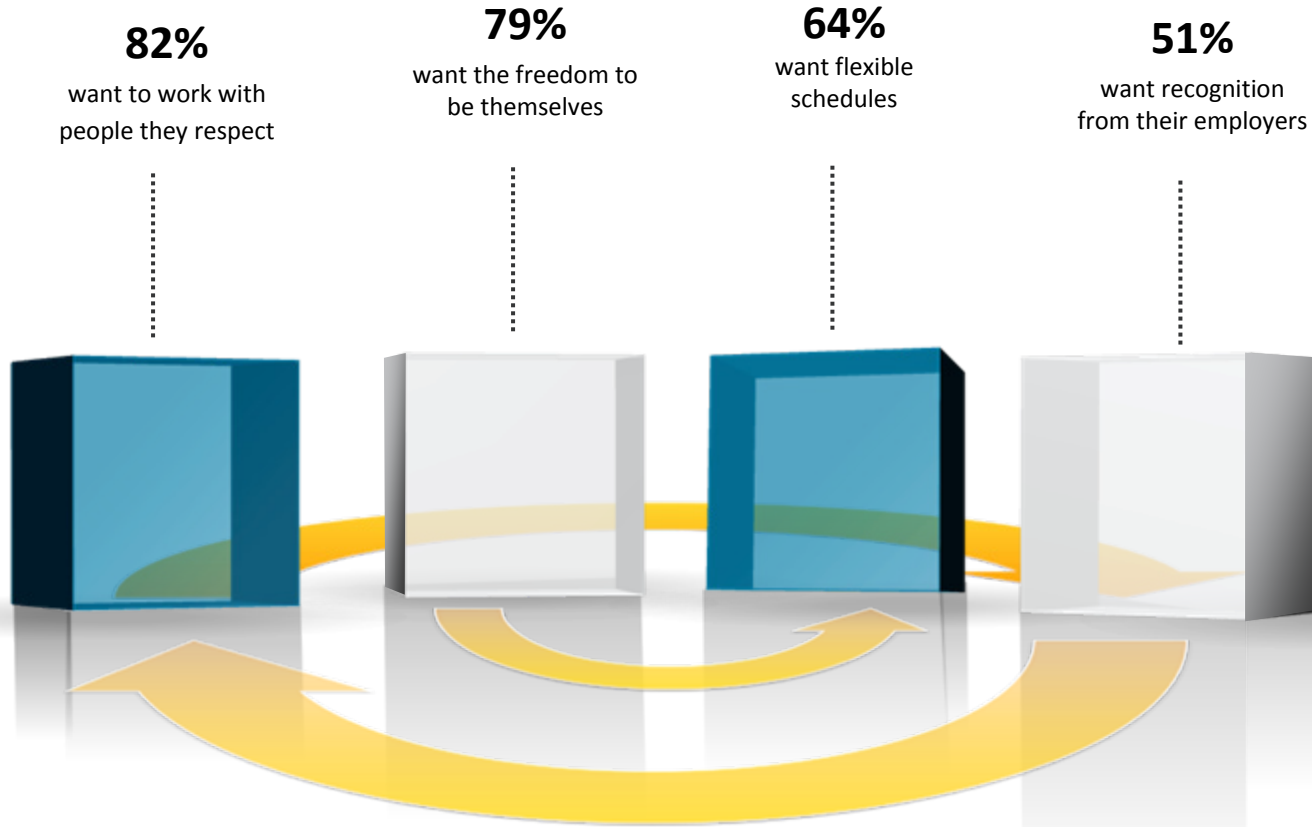

## Gordon Brown PM said:

"When more than half of graduates are women, it is completely unacceptable that some of our top 100 public companies have not a single woman on their boards."

# 5 EASY WAYS TO STRENGTHEN

## YOUR DIVERSITY RECRUITMENT COMMITMENT

In a study released in the Journal of Social Psychology (2010), Stefanie Johnson, finds that beautiful women tend to face discrimination when applying for jobs traditionally dominated by men, where physical appearance is perceived as unimportant. The study was critical of hiring managers who let stereotypes influence their decisions.
